About

Camille is a passionate and energetic patent attorney with a palpable enthusiasm for innovation. She delivers her experience, creative thinking, and problem-solving attitude in a manner that speaks to audiences with various personal goals or entrepreneurial pursuits.

Thanks to her diverse background in technology, business, science, and law, Camille understands that the road to success isn't always a linear one, but rather a dynamic life-long journey built on the ability to grow through adaptation.

Professional & Philanthropic Associations

- Ladies Executive Golf Society (LEGS)
- Women Business Owners of North Florida
- Professional Women Council
- Small Business Resource Network
- North Florida Small Business Group
